

# Finding Paint Codes

## General Motors

GM codes

Buick, Chevrolet, Oldsmobile, Pontiac, Saturn, Hummer

Paint codes for General Motors cars in the 1980's, 1990's, and 2000's were located in the trunk. Normally in the spare tire area. Lift the carpet in the trunk and flip over the spare tire cover.

A lot of the newer 2007-8 GM cars are starting to put the paint code tags inside the glove box.

Paint codes for General Motors trucks are normally in glove box.

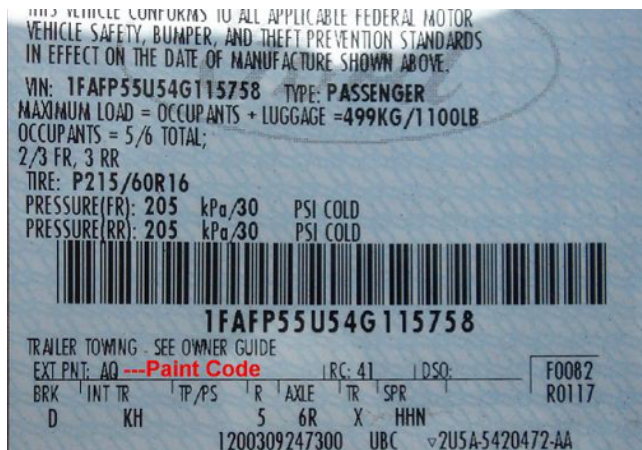

## Ford

Ford paint codes

Ford, Mercury, & Lincoln paint codes.

Ford paint codes are located in the drivers door jamb.

## Chrysler

Chrysler paint codes

Chrysler, Dodge, & Plymouth paint codes

Chrysler paint codes for cars are normally found under the hood on a metal plate or sticker

Chrysler paint codes for trucks are normally found in the drivers door jamb on a sticker.
